# Club Volleyball for the Bluegrass

The parent-led Bluegrass Region Volleyball Club (BRVC) provides student athletes in the Bluegrass Region of Kentucky the opportunity to develop volleyball skills in a competitive league environment. BRVC will emphasize players learning the fundamental skills of volleyball, strategy and team aspects of the game. Every athlete will join a team and have a role in practice and matches. BRVC coaches will use a proven coaching system that is focused around the club's mission led by Coach Coordinators, Kevin & Rebecca Rode. The BRVC season will begin with tryouts in November and practices will begin in December. The season will tentatively run through April—depending on tournament schedules (dates TBA). Learn more at the **Parent meeting on November 5** in the WCHS cafeteria at 7pm.

## Tryouts

The goal of BRVC is to provide a team for every athlete interested in volleyball. Tryouts will be conducted on **November 21**, separated into Middle and High school age groups. Evaluation will be data-based by volleyball professionals in consultation with BRVC coaches. A \$50 non-refundable fee will be due at tryouts and will be applied towards club dues when teams are formed. Checks made out to BVRC or cash will be accepted. Registration on the Pioneer Region website is required before an athlete can tryout. (See www.brvc.org for details.)

## Teams

Formation of teams each season will be dependent on the age range of the athletes joining BRVC. Teams are eligible to play in leagues based on the age of the oldest member on the team. Practices generally will be two times a week. Match play goals will include dual match tournaments with other area clubs and league tournaments in association with Pioneer Region Volleyball, Louisville, KY, a USA Volleyball member.
